Ref: 1 G.O.Ms.No.92 dt:16.11.2006 and subsequent amendments
2 Procs.No.APSCHE/EdCET-2014/Approval of admissions/B.Ed. Course

Dt:12.08.2015

The A.P State Council of Higher Education has been receiving lists of admissions made by Managements of Non Minority and Minority Private Unaided B.Ed colleges through EdCET-2014 and Ed CET-AC-2014 along with certificates for rectification of deficiencies in various phases for the academic year 2014-15. It should be noted that cutoff date for submission of admission lists was initially fixed at 15.11.2014 and subsequently extended to 30.11.2014. The practical and theory examinations for B.Ed course are scheduled to commence shortly in all Universities in A.P. and hence such delayed submission of admission lists and certificates for rectification of deficiencies in various phases by the Managements cannot be processed at this point of time under the prevailing circumstances.

The Managements are therefore directed to approach the Registrars of the concerned Universities for obtaining ratification of admissions made by them. The Registrars shall ratify the admissions after verifying the eligibility criteria as per rules in force. They are informed of the same through the proceedings under reference (2).

It is therefore clarified that the Council will not receive admission lists or deficiencies any further. The Managements of B.Ed colleges are therefore directed not to submit any list either through post/courier or in person.
