3. The Competent Authority noticed certain Societies / Colleges have not applied for Extension of Permission or made an application to shift to their own building to this Competent Authority as per rules in vogue. This conduct of the Societies and the Colleges amounts to non-fulfilment of conditions prescribed while according permission to run the College from the Competent Authority.

In the said notice, it was clearly mentioned that *in the event of non-receipt of explanation received within 15 days, the Competent Authority shall take further steps to withdraw the permission granted to run the college from the first batch of the students of all Courses in the College for the academic year 2017-18.*

It was further intimated to the Managements / Colleges that such colleges shall be deemed to have been functioning without permission and thereby making un-authorized admissions and cheating as well as damaging the academic career of the students.*

6. The Competent Authority noticed that the Private Unaided Degree College in the address entry has been functioning despite point (1) to (5) above and having not complied with the above referred judgement of Hon'ble High Court, the provisions of AP Education Act 1982, the Rules issued thereon and show cause Notices issued earlier, in spite of granting substantial time for compliance under Section 21 of AP Education Act 1982

It was further intimated to the Managements / Colleges that such colleges shall be deemed to have been functioning without permission and thereby making un-authorized admissions and cheating as well as damaging the academic career of the students.*

6.
