" It's Good idea to train 1lakh students to make communication skills and employability "

" I feel it is a proactive approach to improve the fluency of levels of learners, by involving the teachers into the methodologies that would generate this process."

" From bottom of my heart I feel glad to be a part in this prestigious project. Thank you very much APSCHE and BRITISH COUNCIL for your effort to make this project grand success.Surely, I will take this project as a challenge to make your dreams come true. "

" The overall feedback about British Council English Communications Project is - Good!

There is much to learn from the trainers - the Proactive attitude and training skills "
