2. The post-liberalized economy has thrown vast opportunities and challenges in India and abroad in respect of education and jobs. Students from the ST community are often handicapped because of their extreme backwardness and social stigma to access the benefit of pursuing education abroad to better their lives. With a view to enable the benefit of higher education in Foreign Universities to meritorious ST students thereby providing them an opportunity for better career prospects within the Country and Abroad, the Tribal Welfare Department has proposed to introduce the scheme of Financial Assistance to ST students for pursuing studies abroad in the name of "Ambedkar Overseas Studies Nidhi". This proposal was placed before the Nodal agency for TSP during their meetings held on 13.05,2013 and in the meeting held by the State Council for Development of SCs & STs on 21.05.2013. After detailed discussions, the scheme of assisting the ST graduates to pursue higher education in reputed foreign universities was approved for implementation as a new scheme for the benefit of STs from the year 2013-14.
